

 [matiasmolina](#)

[molinamatiasd@gmail.com](mailto:molinamatiasd@gmail.com)

From Argentina  
Living in Portugal

 EU Citizen

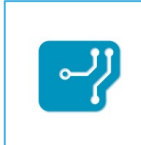

**Core Competencies:**  
Strategic Planning  
Strategic Communication  
Machine/Deep Learning  
Data Analysis and Visualization

**Programming and Tools:**  
Python, C, Haskell, SQL,  
Pandas, Matplotlib, Seaborn,  
NumPy, PyTorch, Scikit-learn,  
Docker, Flask, Git, Jupyter.

**Languages**  
     
C1 B2 A1

# Matías Molina – Career Journey

2006 ..... 2015 ..... 2020 ..... 2024 .. 2025

Early-Stage: Foundational background		Mid-Stage: Specialization		Current-Stage: Applied Science	
Computer Science and Programming skills.		Research and communication.		Leading research agenda, managing meetings. Translating research questions into applications.	
2006 2012	BSc + MSc Computer Science	2015 2020	PhD Computer Science	2020 2023	Data Science Consultant
		2015 2018	Professor A.		
2012 2015	Python Developer	2018 2020	Assistant Professor	2023 2025	Applied Research Scientist
C, Haskell, Python, Django, SQL, MongoDB, JIRA, SVM, Git.		Machine Learning, Deep Learning, Computer Vision, NLP, Data Exploration, Visualization, Python, Jupyter, Git, Scientific Writing		Machine Learning, Deep Learning, Computer Vision, Python, Pytorch, Git, Jupyter, Communication, Strategic Planning.	
 		  		 	

Main publications: NeurIPS – CVPR – WACV – PAIS-ECAI
